☐ Other (**explain your answer**):

I recently was approved for a state aid program that is paying me as I am a full time caretaker for my wife who suffers from dementia. I am getting paid around \$500.00 every other week. Since I have not been able to work and did not receive unemployment, I have fallen behind with all my bills and with the mortgage companies and the Trustee. I am still waiting on receipt of some retroactive funds from this program. I am trying to get my taxes done and then I am going to get a refund and, additionally, I will receive a stimulus check. I have also scheduled a phone interview with Social Security for later this month as I will qualify for Social Security in June 2021 when I turn 62. I am going to try and pay down the Trustee default prior to the scheduled hearing and therefore ask that a hearing be scheduled.

3. This certification is being made in an effort to resolve the issues raised in the certification of default or motion.
4. I certify under penalty of perjury that the above is true.
